ACCOMMODATION

Nestled in a tranquil valley, just steps from the pristine sands of Darkwood Beach, Driftwood blends modern comfort with breathtaking tropical scenery.

Set on a manicured one-third acre garden, the 1,471 sq. ft. residence offers an expansive open-plan living and dining area flowing onto a spacious, covered veranda, a stylish fully equipped kitchen, and a private sun deck overlooking a large swimming pool and lush landscaped garden.

Three generous ground-floor bedrooms, including a primary suite with ensuite and direct deck access, feature built-in wardrobes, while a separate utility room and quality finishes throughout ensure move-in readiness and long-term durability.

The sale includes the prepared base for a second property, presenting attractive development options. These options include a second villa of the same design as the existing home, a self-contained guest suite, a covered sun deck for outdoor entertaining, or a games/gym space.

Built for longevity and resilience, Driftwood is based on a solid concrete construction with hurricane-rated windows and doors – providing a strong, secure and low-maintenance home.

LOCATION

Nestled in a tranquil valley surrounded by dramatic mountain peaks and just steps from the pristine sands of Darkwood Beach, Driftwood is a beautifully appointed 3-bedroom villa that blends modern comfort with breathtaking tropical scenery.

This exceptional home is just moments from several beach bars, a floating water park and a premier snorkelling reef.

Jolly Harbour is just a five minutes drive away, a fine marina and resort complex with superb recreation facilities. A golf course and a new sports centre with gym, swimming pools, tennis and pickleball courts for the actively minded, whilst the commercial centre has a wide range of shops, restaurants, bars, and a supermarket to sustain the needs for everyday living.

CIP approved, Driftwood offers an exceptional combination of lifestyle and value.
